

Admission Procedure Policy

The admission process is designed to support the mission and philosophy of the Wallingford Cooperative Nursery School (WCNS), particularly the emphasis on nurturing families and fostering community spirit. Our four-tiered enrollment system supports families already vested in the school while simultaneously creating opportunity for new families to join the WCNS community.

How do I get an application?

Applications are available for download on the school web site after **December 17 of the forthcoming school year** (<http://wallingfordcoop.org/application.html>), or they are available upon request from the Director. Factors such as, but not limited to, each child's gender and date of birth will be used to best place children to achieve a balanced class.
- If there are more applications received than there are available places, a waitlist will be used. The Admission Committee reserves the right to accept applicants from the waitlist in a way that balances a class according to factors such as, but not limited to, gender and date of birth.

When your child is given a space, the \$50 application fee will be processed. The fee will not be processed while the applicant is on the waitlist.

Co-op vs. Non-Co-op.

WCNS is a cooperative nursery school and to that end, each family in the nursery school is expected to co-op for their child's class a maximum of 9 times throughout the school year. There are circumstances, however, in which a family finds it difficult to co-op (work schedules or more than one child in the school at the same time). When this occurs and the family would still like to be a part of the Co-op Community, families will be asked to pay an additional \$450 to help cover the cost of paying for an additional aide to be in the classroom on the days that would have been allocated to them.
